

TEEN MASTERS CHAMPIONSHIPS

Since 1995 Youth Bowl Canada has offered an Annual Scholarship Award to the tenpin community via the Carl Malcolmson Memorial Scholarship, the winners of which are proudly listed on the following pages.

Beginning in 2022, YBC's Annual Tenpin Scholarship offering was redirected with the intent of providing YBC members with a potentially greater scholarship offering, while also providing an opportunity for international competition. With exclusive rights for the Canadian market, YBC had arranged to have its scholarship winners seeded into the **TEEN MASTERS CHAMPIONSHIPS** in the USA, debuting at the Teen Masters 25th Annual Championships.

Canadian qualifiers in 2022 were selected based on their performance at their Provincial Finals (due to complications with the pandemic). Beginning in 2023, YBC will be awarding 6 spots in the Teen Masters Championships at YBC's National Finals annually. Advancement from the YBC Tenpin National Championships to be awarded to the participants with the 3 highest boys averages and 3 highest girls averages from amongst the eligible bowlers. Additionally, YBC provincial associations may also purchase spots and hold provincial qualifiers to determine advancement to Teen Masters Championships.

Advancing bowlers received paid entry into the North American championship along with a contribution towards expenses (total value roughly \$1,000 Cdn per bowler). YBC was proud to place its bowlers on the international stage, and appreciate the many positive comments from the community about this effort.

Following is a breakdown of the advancing bowlers and how they made out at the Teen Masters.

2022 - Thunderbowl, Detroit, MI				2023 - Thunderbowl, Detroit, MI			
		<i>Final Position</i>	<i>Final Average</i>			<i>Final Position</i>	<i>Final Average</i>

Miah Duplassie	nON	30th	143.1				

Effective with the 2026 YBC Nationals, participation in the Teen Masters Championships has been discontinued.

YBC Nationals will return to offering 2 Scholarships of \$1,000 to each at the YBC Nationals. One scholarship will be awarded to the Senior Girl and one to the Senior Boy who manage to earn the high average of the Championship (inclusive of Singles and Combo Team games, but not including Stepladder or tie-beakers).

Carl Malcolmson Memorial Scholarship 2011-2019

The Carl Malcolmson Memorial Scholarship has evolved over the years. The first generation of Carl Malcolmson Memorial Scholarships (1995-2010) were awarded based on the following system; 1 Tenpin Scholarship annually of \$1,250. Recipient must have won Gold at the current nationals and have prior history which distinguished him/her from other potential recipients. Commencing in 2011, the Carl Malcolmson Memorial Scholarship was enhanced to award 2 Tenpin Scholarships annually of \$1,000 each... one in each of the Girls and Boys divisions. The scholarships were awarded based on the highest average recorded for the tournament (taken from all divisions and all events). In 2017, scholarships became exclusive to the Senior Boys and Girls divisions, awarded to those who achieve the highest average through the tournament (taken from all divisions and all events).

TENPIN Girls...\$ 1,000.⁰⁰
